

**PRESS RELEASE – June 5, 2017**  
**Government Relations: 972-624-3108**

## **Main Street lane closures**

THE COLONY, Texas — As part of an effort to keep residents informed, officials with the City of The Colony are in continuous contact with representatives from the Texas Department of Transportation regarding the progress of the Main Street Widening Project.

In order to continue that progress, TxDOT officials have advised the city that there will be a **full closure of the Larner Street intersection with FM 423 starting at 9 a.m. Wednesday, June 7, through 3:30 p.m. Wednesday, June 21**. This closure is necessary in order to install a new sewer line manhole on Larner.

During construction, the Engineering Department will post updates and information regarding the progress of this project at <http://www.thecolonytx.gov/Resident/RoadRepairs.html>, including when and where specific work will take place. In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter. If you have additional questions, you may email Director of Government Relations Brant Shallenburger at [bshallenburger@thecolonytx.gov](mailto:bshallenburger@thecolonytx.gov) or call 972-624-3108.
